#### WHAT DID YOU MISS?

Welcome back, **Pres. Col.** from his excused absence. **Dennis Johnson** led the invocation followed by the flag salute given by **Jim Scribner**. There was some unusual noise at several tables and a joy of excitement. YES, **Ron Hill** and **Ron Barnard** were back for a visit - Hopefully they will stay . Welcome back both of you guys. **Jim Scribner** brought a visitor - Chris MacArthur.

**RON** "MISSING-IN-ACTION" **HILL** automatically reassumed the position of Sgt. of Arms - just like riding a bike, you just don't forget. **Howard Born** stated he never received the fine slip from the **Pres. Col.** in recognition of his anniversary. Ron tripped over chairs and ran to the front just to give the fine slip to the **Pres. Col.** Happy Birthday to **Ron Barnard** who celebrated his birthday on Nov. 22 and thanks for the generous donation. It seems that Ron had a big birthday party and we were not all invited. Ron said this was his first birthday party ever. The **Pres. Col.** said Happy Birthday from one car salesman to an "EXPERIENCED CAR" salesman, **Doug Albee**, who celebrated his birthday on November 29, 2006. Pres. Elect **Gerry Miller** gave a recap of the Rotarians attending the Rotary Foundation Gala. Our silent auction gifts, **Pres. Col.** sword and **Dave Pekarek's** gift basket generated \$300 towards our Rotary Foundation giving.

Our program today was presented today by Tom Hunt who talked about the New Renaissance of CBU expansion.

## 1968 CLUB HISTORY 1969

During 1968-1969 **George Fader** stressed Rotary's International Service by having groups of foreign students speak before the membership. An excellent Ladies Day Luncheon was held. A proper sign for the Don Jones Park was built to call attention to the community of the work which Magnolia Center Rotary has done for the recreation enjoyment of the Little Leaguers. Interact Club at Ramona High School continued to be an active part of that campus' live.

## 1969 ---1970

During 1969-70 President **Chuck Gramlich** led the Magnolia Center Club through a period of, as he called it, "review, renew and enjoy." Perhaps by "review" he impressed on us his own dedication to Rotary through all the years of his membership, culminating with his year as president -- "reviewing" all the past worthwhile projects and programs maintained over the past 15 years. He "renewed" in us a need for new programs, such as the sponsorship of X-N, a project aimed at helping youth with drug problems. We reached a plateau of 700 percent participation in the Rotary Foundation program. He stressed "enjoy" through active participation of members in the fun of Rotary

## 1970 ---1971

In 1970-71, President **Carl Click** led Magnolia Center through a year of continuation of many worthwhile projects. One of the charter members of Ramona's Interact Club became a full-fledged member of sRotary when Paul Adcock was accepted into membership in January. Early in March a most successful Ladies Night Dinner was held at Canyon Crest Country Club. President Carl with the help of "General Joe" Quarto organized and put on the first spaghetti dinner. Carl was also a big supporter of the Riverside Ag Park. We spoke to his son Larry recently who said that Carl's wife Jan was in a nursing home.

*Editorial comment: Not being in Rotary when these men were Presidents of Mag Center, just the opportunity of knowing them throughout their remaining years in Rotary was an honor. Not only were these men great Mag Center Rotary Presidents, but as individuals they are everything that Rotary stands for - gracious, generous, quality, honest. An epitome of a true gentleman.*

*A Rotary salute to the above three Past Presidents.*
