

ROTAJET

Eddy Longshore delivered the invocation.

The club joined **Hal Austin** in reciting the flag salute "loud and proud."

This week's visiting Rotarians were **Jim Rector**, and **Pamela** and **Gary Devin**, all from the mighty Sunrise club.

We had no birthdays or anniversaries to celebrate this week, however, we were able to take great delight in seeing **Howard Born** skewered and hung by his pink slips for purchasing a new car. Now, for any other club member the fine for a new car would have been nominal, however, in the case of **Howard "Skinflint" Born**, **Pres. Miller** threw the traditional fine schedule out the window, and slammed **Howard** with a fine that would choke the proverbial ox. Needless to say, **Pres. Miller's** actions were met with great glee from the crowd!

Eddy Longshore led the club in a soulful rendition of the welcome song.

Christina Yost felt the touch of **Pres. Miller's** jeweled scepter this week, as the good president finally bestowed the hallowed Blue Badge on her. This makes two Blue Badges in the past two weeks, so we're definitely going in the right direction!!

Jim Scribner gave us another inspiring Rotary Moment. This time he talked about the **Paul Harris Society**. After that inspiring moment, **Jim** treated us to another rousing round of "Fact or Crap." Judging by the looks on our visitors' faces when we shouted out answers to **Jim's** questions, this is a game that other Rotary clubs may not be familiar with.....

Pres. Miller handed out accolades and small gifts to club members who had hosted the progressive dinner this past weekend. Special thanks go to **Howard** and **Carol Born**, **Marie** and **Ralph Mahaffey**, and **Ron** and **Sheri Hill** for their hospitality and hard work in making this a great event. Hopefully, this will become an annual club event.

Marie Mahaffey reminded members that the Palm Springs Follies is on April 27. This is great opportunity to share in friendship with your fellow club members and their families, and enjoy a wonderful show at the same time.

All the club members extend a hearty congratulations to **Cherie Curzon** for her appointment as the District Governer elect for District 5330, for the upcoming year.

The winner of the Blue Marble drawing was **Jim Rector**, but he didn't pick the bluest marble in the bag.

The secret hand shaker was **Doug Albee**, but, apparently, he couldn't find anyone to shake his hand.

Today's Program

This week we had a club assembly, in lieu of a featured speaker. **Pres. Miller** updated the club on recent board action, including a \$500 donation to the district's STARS program. **Ron Hill** also gave the club an update on the recent RYLA leadership weekend trip that he and **Kurt Van Horn** participated in.

Did You Know?

The purpose of the **Paul Harris Society** is to encourage Rotarians and friends to pledge a minimum of \$1,000 per year to The Rotary Foundation. With this, the donor will receive a special metal ribbon that can be attached to a Paul Harris pin. The donor will also be able to designate who will be honored by their donation, and if for some reason finances do not allow a donor to continue in the Society, they may withdraw at anytime.
