Today's Program

President Jim Scribner lead a club assembly. We received a handout that detailed the prior projects of the club, with where we are today. We than reviewed where we are going. Club membership is most important. Our goal is ten new members minimum. **Invite a friend!** If the person is a potential member the club will pay for the first meal. We than reviewed fundraising activities, meeting place, ambassadorial scholar's, socials, recognition and possible joint projects with the Arlington club.

There is a listing of every position in the club and who fills it. Please review this list to find your name.

Tips from Jim

If your spouse comes home with a new jacket and tells you they saved \$200 on the jacket, just tell them to go back and buy five more so that you can pay the rent.

Mark Twain once stated, "Those that do not read the newspaper are uninformed. those that do read the newspaper are misinformed."
