Editor – *Anxious and Afraid*

- **Eddy Longshore** delivered the invocation and also served as the song leader.
- **Col. Hal Austin** led the flag salute, “Loud and Proud.”
- Visiting the club was **Roxann Andersen**, who was also our featured speaker.
- There were no birthdays or anniversaries to celebrate this week.
- **Eddy Longshore** updated the club on the medical condition of **Dennis Yost (Christina’s husband)**, and asked members for their continuing prayers and good wishes.
- **Pres. Scribner** discussed the results of the board meeting held earlier in the day. He said the club is knee deep in pancake batter for the upcoming annual car show, which is sponsored by Riverside East. He also said we have a chance sell-out the house for a production of “On Golden Pond,” featuring our very own Community Players. **Pres. Scribner** said both items have the potential for being major fundraisers, as well as great social events (much like the Spaghetti Dinner from years gone by).
- **Pres. Scribner** said the board is considering the induction of **Paul Anderstrom** as a new member. **Paul** is the owner of Guardian Preferred Properties, and is being proposed for membership by **Whitey Kowalski**.
- **Doug Albee** gave an update on the work of the Membership Committee. **Doug** reminded the club that membership growth is everyone’s responsibility, and we should all be searching for potential new members.
- **Whitey Kowalski** had the lucky ticket, but didn’t pick the bluest marble in the bag.
- The secret hand shaker was **Pres. Scribner**, and the shakee was **Doug Albee**.

Today’s Program:

Today we were honored to have **Roxann Andersen** speak to us about the thing we all fear more than the sound of a dentist’s high speed drill coming toward our mouth: public speaking. **Roxann** is an expert on this subject, and she trains those of us who are not how to stand up in front of people and deliver a coherent and “interesting” talk, without offending our audience or boring them to tears. She instructed us on how zero in on the message you want to convey *before* you get up, and then tell it a story format so the listener can relate to the message. Great advice and it seems quite simple, until you actually have to stand up.....

For more information on her program and services, you may contact **Roxann** at: roxannandersen@earthlink.net
